### **About the Awards**

Established in 1993, Canada's Best Managed Companies is one of the country's leading business awards programs recognizing Canadian-owned and managed companies for innovative, world-class business practices. Winners are an important engine of economic growth for being adaptable and sustainable in a global market. Applicants are evaluated by an independent judging panel made up of judges from Deloitte, CIBC, Canadian Business, Smith School of Business and MacKay CEO Forums. Best Managed companies share commonalities that include an emphasis on culture and people, innovation, sustained performance and strong financial results.

2017 winners of the Canada's Best Managed Companies award were honoured at the annual Canada's Best Managed Companies gala in Toronto on April 19, 2017. On the same date, the Best Managed symposium addressed leading-edge business issues that are key to the success of today's business leaders.

The Best Managed program is sponsored by Deloitte, CIBC, Canadian Business, Smith School of Business and MacKay CEO Forums.
